Dear Readers,

Our September 18th forum featured a chance for all to share a snapshot of their programs now in the North Quabbin. We urge you again please take the survey on page 2 of this newsletter to make sure we have the most up to date information regarding changes to service delivery from your organization.

I have to say that my take away from our forum was the true sense of resiliency the North Quabbin continues to show! Whether a service provider, partner, community resident, or a zoom bomber, you couldn’t help but feel a sense of hopefulness that the work continues in our region, and will not waiver no matter the barriers!

This will lead very well into our forum for October, which will again be virtual (Join Zoom Meeting: https://us02web.zoom.us/j/87256905901?pwd=ekFybHN2WGozalkoN3pNSnZTYjlvQT09 — Meeting ID: 872 5690 5901 — Passcode: 644702). The October 16 forum will provide an interactive workshop on trauma informed care, self-care, and resiliency. It’s a great chance for all of us in the helping professions and concerned citizens to remember to take care of our own needs first, as to better assist our whole community.

Thank you for all that you do!

Current Conditions of North Quabbin Community Services Survey

We want to know how you are operating and connecting during the pandemic. Please take a moment ASAP to fill out our survey! You can fill it out online at www.nqcc.org/survey.html or you can fill it out by using a Word Document (click here) or PDF (click here) and emailing it to info@nqcc.org, or by faxing it to 978-575-0474.
North Quabbin Youth Advisory Council
Youth Nomination Form

The Youth Advisory Council is an opportunity for youth, ages 12-18 who reside in North Quabbin, to impact positive change and growth in the North Quabbin Region focusing on the prevention of drug use. The council is committed to creating a platform in which youth will have a voice in advocating for the positive changes within their community.

Please complete this nomination form with a youth that you feel will be a valuable member of the Youth Advisory Council.

2020 Virtual Fall Series via Zoom

OVERDOSE PREVENTION & NARCAN TRAININGS

Wednesday, October 14, 6:00 PM
Monday, November 9, 7:00 PM
Thursday, December 17, 10:00 AM

Please join us at an upcoming community overdose prevention training to learn how to recognize and respond to an opioid overdose. Participants will also learn how to administer Narcan, a lifesaving opioid overdose reversal drug.

Participants will learn the answers to these questions:
- What is an opioid overdose?
- How do you recognize and respond to an opioid overdose?
- How do you administer Narcan to reverse an opioid overdose?

Want to join the Zoom call? Please email malle@opioidtaskforce.org.

LifePath’s Healthy Living Fall 2020 Workshops: FREE, Remote Workshops You Can Access on Your Computer OR Your Phone!

Live Video Conferencing Workshops

- Books, CDs, and handouts mailed to your home
- 8-12 participants able to hear and see each other
- 2 Workshop Leaders
- Charts, brainstorms, and paired discussions like in-person workshops

Toolkit Telephone Workshops

- Posters and exercise CD, mailed in a “toolkit” to your home
- Weekly check in calls with 3-4 others to learn about health strategies, practice new skills, and talk about weekly goals

☐ My Life, My Health: Living Well with Long-Term Health Conditions: Provides information and practical skills that build self-confidence and help participants assume an active role in managing one or more long-term health conditions. Topics include healthy eating, relaxation techniques, communicating with health professionals and loved ones, goal-setting, problem solving, and more.
  Live Video Conferencing Workshop: Six Wednesdays, 2:00-4:30 p.m., Oct. 14-Nov. 18

  OR

  Toolkit Telephone Workshop: Six Tuesdays, 1:00-2:00 p.m., Oct. 13-Nov. 17

☐ Chronic Pain Self-Management: Provides information and practical skills that build self-confidence and help participants assume an active role in managing problems specific to chronic pain, including fatigue, frustration, and poor sleep. Topics include appropriate exercise for improving strength, flexibility, and endurance; pain management techniques; goal-setting; and problem solving.
  Toolkit Telephone Workshop: Six Thursdays, 1:00-2:00 p.m., Oct. 15-Nov. 19

☐ A Matter of Balance—Managing Concerns About Falls: Teaches practical coping strategies to reduce the fear of falling and explores environmental risk factors and exercises that increase strength and balance.
  Live Video Conferencing Workshop: Eight Sessions, Tuesdays and Thursdays, 2:00-4:00 p.m., Sept. 29-Oct. 22

To register, please call Healthy Living Program Manager Andi Waisman at 413-773-5555 x2297 or 978-544-2259 x2297, or email awaisman@LifePathMA.org.
Four Week Online Mindfulness Skills Group
Tuesdays 10 – 11 starts Oct. 6

This experiential group will teach skills to manage depression, stress and anxiety through mindfulness/meditation practices.

The group is intended to:
- Teach and practice basic mindfulness skills;
- Improve self-awareness, self-compassion and self-acceptance;
- Build a regular mindfulness practice to manage symptoms of anxiety and depression and enhance well-being.

Tuesdays 10:00 - 11:00 am
Oct. 6th, 13th, 20th, and 27th

- **Anger Management**: Wednesday 1-2 (first session 9/9, runs for 8 weeks)

- **Seeking Safety (co-ed)**: Friday 10-11

- **Depression and Anxiety**: will start up again end of September (taking referrals)
Fuel Assistance Programs

**Hampden & Northern Worcester Counties:**
The New England Farm Workers Council (NEFWC), Inc. administers the Low Income Home Energy Assistance Program for income eligible families in Hampden and Northern Worcester Counties. Low-income families and individuals including all homeowners and renters who pay for their own heating costs, all renters whose heat is included in their rent, or renters in public and/or private subsidized housing who pay for their own heat and utilities and do not receive a heat/utility allowance are eligible. Some renters in public and/or private subsidized housing who’s heat is included in their rent might be eligible depending on the type of housing subsidy and category of rent. A NEFWC staff member also holds appointments at the North Quabbin Patch Office in Athol on Monday mornings. NEFWC, 473 Main Street, 3rd Floor, Fitchburg, 978-342-4520; North Quabbin Patch, 109 Lumber Street, 2nd Floor, Athol, 978-249-5070. [http://www.partnersforcommunity.org/default/index.cfm/fuel-assistance](http://www.partnersforcommunity.org/default/index.cfm/fuel-assistance).

**Franklin and Hampshire Counties:**
Community Action administers the Massachusetts Fuel Assistance Program to low income households who reside in Franklin or Hampshire Counties. Families who applied with their program last year will receive a recertification application in the mail. Each year, clients must update their application with the current information, all household members over the age of 18 must sign the application, and all income from all sources must be updated. For new applicants, they are required to schedule a phone appointment. Potential applicants may call them at 413-774-2310 or 800-370-0940 the first week of October to schedule an appointment or go onto their agency website to book their own appointment. Community Action cannot assist anyone with any fuel needs until November 1 and are only able to assist with a delivery of product between the months of November 1 to April 30. [https://www.communityaction.us/fuel-assistance](https://www.communityaction.us/fuel-assistance).

Addiction Treatment Programs at Quabbin Retreat Operating Via Tele-Behavioral Health
Quabbin Retreat has announced that they have openings available for their Tele-Behavioral Health programs through Zoom. They offer the Structured Outpatient Addiction Program (SOAP) and the Intensive Outpatient Treatment Program (IOP) via three-hour, Zoom-based group formats from 9:15 am to 12:30 pm weekdays focusing on addiction recovery. They also offer individual addiction counseling, care coordination, and referral services. Most insurances are accepted and self-referrals are welcome. For more information or to make a referral, please call the Quabbin Retreat at 978-724-0010 or email to morgan.ban-draoi@heywood.org.
Healthy Incentives Program (HIP) -- The Healthy Incentives Program (HIP) helps people buy more fruits and vegetables for their household. HIP means having more fresh produce for a family to eat, and provides better sustainability for local farms. HIP is funded by the State of Massachusetts and run by the DTA (Department of Transitional Assistance). Any household that receives SNAP benefits is eligible for HIP. SNAP participants can earn HIP incentives at participating agricultural retailers.

How does HIP work? -- If you are a SNAP household you will be automatically enrolled in HIP. You can use your SNAP benefits to buy fruits and vegetables from a HIP authorized farm, retail business such as Quabbin Harvest (CSA Farm Shares), or designated vendors at a Farmers’ Markets.

How does HIP work in Orange, Athol and North Quabbin Area –
If you live in Orange or Athol, there are three places people can use HIP incentives. These include:

- **Quabbin Harvest Food Co-op.** Households getting SNAP benefits may sign up for a CSA Farm Share. People interested in a CSA share must fill out a membership agreement and turn into store. Then it is sent to DTA. HIP/CSA Membership agreements are available at the store (12 N. Main St. in Orange) or online at https://quabbinharvest.coop/files/SNAP_CSA_Membership_App_2020.pdf. Once it is processed by DTA, people will be notified of a start date and get a CSA Farm Share (vegetable and/or fruit) every other week. What is in a CSA Farm Share varies each week depending on the season and availability with Shares going year round. People are reimbursed on their EBT Card for the CSA Shares automatically. You will receive $1 for each dollar you spend on eligible fruits and vegetables, up to a monthly limit. Questions – Call 978-544-6784.

- **Orange Farmers’ Market** — The Orange Farmers’ Market happens on Thursdays from 3-6 p.m. until mid-October. All produce vendors will now be HIP vendors. People can check at Rachel’s Smoothies to learn how to get HIP reimbursements at the Market starting Sept. 17th. All produce vendors at the market accept SNAP benefits, but people need to check with the Market Master before shopping. Stop by Rachel’s Smoothies to get information or ask a produce vendor.

- **Growing Places Mobile Market** -- This mobile market is in the Job Lot Parking Lot in Athol on Thursdays from 9:30-10:30 a.m. They are set up with fresh produce (vegetables and fruit) and are a HIP vendor. This Mobile Market will be in Athol until sometime late in October.

For people who have transportation and can travel there are Farmers’ Markets that have HIP vendors in Turners Falls, Greenfield, Barre, Gardner, Amherst, and Westminster. Other Farmers’ Markets may take SNAP but not have HIP vendors. Most of these Farmers’ Markets have Facebook pages with information.

**Other Information about HIP incentive benefits --**

**Important:** You must have a SNAP balance to earn the HIP incentive benefit. Your monthly cap is based on your household size. The amount for a CSA Farm Share or a Farmers’ Market purchase will be credited back to your SNAP account but there is a monthly cap.

(Revised -September, 2020 - Pat Larson -- Quabbin Harvest)
Women Healing Women Healing Earth

In recent years, Seeds for Solidarity’s work with women in need of skills for food self-reliance and supportive community has included a three-year, three community gardening and economic justice program, with courses taught in gardening and self-care for women who are incarcerated. Over a year ago, they convened an AWESOME group of women (pictured) to envision a new program, lovingly named Women Healing Women Healing Earth. They are very pleased to report that thanks to a recently awarded grant from The Community Foundation of North Central Massachusetts, they will be able to launch this project for a group of 20 women in our region in the coming year. If you would like to learn more or wish to earmark a contribution, reach out to Seeds of Solidarity director Deb Habib at deb@seedsofsolidarity.org.

COVID-19 Community Impact Survey

The Massachusetts Department of Public Health (MA-DPH) is trying to hear from communities so that it can better help people through the COVID-19 crisis. By taking the COVID-19 Community Impact Survey (CCIS), you can help find new solutions to community problems, and give MA-DPH the information they need to take action and support the communities that need it most. MA-DPH is committed to sharing information back in ways that will help us all take collective action.

This CCIS survey will help them better understand the impact of COVID-19 on our communities. Even if you haven’t been sick, your answers can help! The only requirement is that you are 14 or older and live in Massachusetts. Please consider taking a few minutes out of your day to take this important survey at https://survey.jsi.com/s3/DPH-COVID-19.

MA Smokers’ Helpline Menthol Incentive Program (and Behavioral Health Program)

To support MA residents, particularly those who have been historically and disproportionately targeted by the tobacco and vaping industries, the Massachusetts Smokers’ Helpline is offering an incentive program to residents who use mentholated tobacco products. Residents will receive $10 after completing the first coaching call, $15 after the second coaching call, and $25 after the third coaching call. While the incentive does not continue after the third call, the Helpline offers five free coaching calls, and residents are encouraged and welcome to take advantage of the Helpline’s full offerings. If residents enroll online, they must complete coaching calls via telephone to receive the incentive(s). This incentive program may be time limited pending utility and availability of funds. In addition to the incentive program, up to eight weeks of free Nicotine Replacement Therapy is also available to residents who speak with a coach (once screened for medical eligibility).

The Massachusetts Smokers’ Helpline is also offering a behavioral health program to those who match the following criteria: (a) have at least one of the following behavioral health conditions: anxiety, depression, schizophrenia, bipolar disorder, ADHD, PTSD, or substance abuse; (b) are 18 years or older at intake; (c) are ready to quit within 30 days; or (d) their preferred language is English (initially). The base of the behavioral health program is more intensive coaching (seven coaching calls) and eight weeks of NRT. Those enrolled in the behavioral health program can opt in or out at any time. Participants enrolled in the menthol incentive program may also receive services under the behavioral health program.

To access the MA Smokers’ Helpline, MA residents can call 1-800-QUIT-NOW or enroll online at www.makesmokinghistory.org/new-quit. Be referred to the Helpline or by a healthcare, behavioral health provider, or social service provider through QUITWORKS, accessed via http://makesmokinghistory.org/quit-now/for-providers.
COURSEERA FREE ONLINE TRAINING

Course is a nationally known online learning platform with over 4,000 courses to help you learn new skills, train for in-demand jobs, refresh your education, prepare for college, or learn self-care techniques.
